

The chart below outlines the membership dues for Professional Association of Therapeutic Horsemanship International (PATH Intl.) member centers. PATH Intl. member center dues are based on the total operating budget of a PATH Intl. center defined as the total *operating* expenses. Budget size calculations should not include unusual and/or one-time only capital or special campaign expenses. First year dues may be prorated based on the month in which a center applies for PATH Intl. membership, as all centers' membership are based on the calendar year with membership renewing annually on January 1.
