CREDENTIALING WORKSHOP AND CERTIFICATION TESTING

PATH Intl. takes over certification workshop and testing registration

- Beginning January 1, 2024, PATH Intl. Centers are no longer responsible for managing workshop registration .
- Instead, all candidates will use their PATH Intl. Member Portal to register and pay for all ESMHL, Driving and Vaulting Certification workshops and certification testing.
- Event registration closes 30 days prior to the start of the workshop - no late registrants will be accepted.

Workshop Prerequisites

- Each discipline has its own set of workshop prerequisites required to be completed before a candidate is eligible to register for a workshop and testing event.
- Once a candidate logs in, registration is available under the “Events” tab at the top of the screen.
- If a candidate doesn’t see any events listed, it is likely they are missing prerequisites – please contact certificationrequirements@pathintl.org for information.

New Certification Tools Available through the PATH Intl. Member Portal

- Certification candidates can now track their progress online through new tools available in their PATH Intl Member Portal.
- To see where a candidate is in the certification process, they will: Log into their PATH Intl. Member Portal, select the “Credentialing” tab at the top of the screen, then select “My Certifications,” select the certification and then “review requirements.”
- This new function allows candidates to easily keep track of where they are in their certification journey.

UPDATES TO CERTIFICATION TESTING TIMELINES AS OF JANUARY 2024

- As of January 2024: Advanced TRI, ESMHL, Interactive Vaulting and Driving certification online exams have officially been moved to the final step of the certification process.
- All Advanced TRI, Interactive Vaulting and Driving Certification candidates will be enrolled in their respective online exam **after** their on-site certification results have been recorded.
 - Advanced TRI and Interactive Vaulting final exams remain proctored
 - ESMHL and Driving certification exams are **not** proctored
