### **PATH Intl. Seeks Silent Auction Items for International Conference**

Denver—From neon to glitz, pompadours to big hair, blues to electric, spandex to flannel, girl groups to boy bands and everything in between, Cleveland rocks it. This year, the PATH Intl. Conference and Annual Meeting, presented by title sponsor Purina, will be in the Rock and Roll Capital of the World, Cleveland, Ohio, November 4-7. This year’s theme, “Walk On Rock On,” sets the stage for insightful educational sessions, fun events, networking and the popular PATH Intl. Horse Expo.

The silent auction, spanning three days, is always a fun-filled and high demand event at the conference. Currently, PATH Intl. is seeking premium silent auction items. Your donation will receive attention from all the attendees, an expected 800 or more attendees and exhibitors. Silent auction funds are used to help support PATH Intl. programing efforts as we credential instructors and accredit centers.

Anything equine related is most popular with our crowd, but that is not essential. We are open to all kinds of items, including gift certificates, travel vouchers, jewelry, event tickets or admission tickets to the Rock and Roll Hall of Fame. No item is too big or too small.

We hope you will consider donating to this year’s “Walk On Rock On” conference and making it the best auction ever. To participate, complete the Silent Auction/Registration Bag Donation form on the [PATH Intl. website](#). Questions? Contact [Cher Smith](#), (800) 369-7433, ext. 123.

### **About PATH Intl.:**

The Professional Association of Therapeutic Horsemanship International® (PATH Intl.®) was formed in 1969 to promote safety and optimal outcomes in equine-assisted activities and therapies (EAAT) for individuals with special needs. At 852 member centers, more than 58,000 children and adults may find improved health, wellness and a sense of pride and independence through involvement with horses. Therapeutic horsemanship at member centers may include hippotherapy, equine-facilitated mental health, driving, interactive vaulting, trail riding, competition, ground work and stable management. Through a wide variety of educational resources, the association helps individuals start and maintain successful EAAT programs. There are nearly 53,000 volunteers, 4,544 instructors, 7,733 equines and thousands of contributors from all over the world helping people at PATH Intl. Member Centers.
