July 2016

Donate to the PATH Intl. Silent Auction and Start a Revolution

Denver—Colonial Williamsburg. Even the name brings to the mind images of revolutionary times as America fought for freedom and began the establishment of a new nation. This year, the PATH Intl. Conference and Annual Meeting, presented by title sponsor Purina, will be in the Revolutionary City of Williamsburg, November 2-5. With the 2016 presidential election only days away and the birthplace of PATH Intl. (then NARHA) only miles away, this year’s conference could go down in history! Insightful educational sessions, fun events, networking, the inspiring awards banquet and the popular PATH Intl. Horse Expo await.

The silent auction, spanning three days, is always a fun-filled and high demand event at the conference. Currently, PATH Intl. is seeking premium silent auction items. Your donation will receive attention from all the attendees and exhibitors, an expected 800 or more. Silent auction funds are used to help support PATH Intl. programing efforts as we credential instructors and accredit centers.

Anything equine related is most popular with our crowd, but that is not essential. We are open to all kinds of items, including gift certificates, travel vouchers, jewelry, clothing, event or admission tickets. No item is too big or too small.

We hope you will consider donating to this year’s conference and making it the best auction ever. To participate, complete the Silent Auction/Registration Bag Donation form on the [PATH Intl. website](#). Questions? Contact [Cher Smith](#), (800) 369-7433, ext. 123.

About PATH Intl.:

The Professional Association of Therapeutic Horsemanship International® (PATH Intl.®) was formed in 1969 to promote safety and optimal outcomes in equine-assisted activities and therapies (EAAT) for individuals with special needs. At 877 member centers, more than 62,000 children and adults—including 5,500 veterans—may find improved health, wellness, fun and a sense of pride and independence through involvement with horses. Therapeutic horsemanship at member centers may include hippotherapy, equine-facilitated mental health, driving, interactive vaulting, trail riding, competition, groundwork and stable management. Through a wide variety of educational resources, the association helps individuals start and maintain successful EAAT programs. There are more than 55,000 volunteers, 4,846 instructors, 7,546 equines and thousands of contributors from all over the world helping people at PATH Intl. Member Centers.
