

PATH Intl. Community Group Application

Name of Individual Filling Out Application:

*****Please attach a current bio*****

Current PATH Intl. Volunteer Position:

Date:

- 1. Name of proposed PATH Intl. Community Group:**
- 2. Rationale for the founding of this community group:** *(include why this group would be of benefit to PATH Intl. members, the association and your field as a whole)*
- 3. Community Description:** *(include a brief description of your community that tells members about your community)*
- 4. Expected demographics of the community group:** *(who do you imagine your members being? Where will cross pollination exist? How active do you foresee your members to be? How will your group affect a significant percentage of the PATH Intl. membership?)*
- 5. Anticipated content and resources:** *(what will you provide for members of your community group?)*
- 6. Anticipated advocacy activities:** *(what will your group do to support your area of special interest and to better the association and the field as a whole?)*
- 7. What challenges do you foresee in creating this community group?**
- 8. What support do you need from PATH Intl.?**
- 9. Do you have an identified community group chair to nominate? If so, who?**
- 10. Do you have identified community leaders? If so, who?**
- 11. Is your community group willing to align with the PATH Intl. mission, vision, strategic plan and general operating practices?**
- 12. Have you read the Community Connections Handbook?** *(if not, please do prior to submitting this application so that you are aware of your responsibilities as a community)*

Please submit your application to the Membership Coordinator via email at rdavis@pathintl.org
