

PATH Intl. Education Partner Application

The PATH Intl. Education Partners program is designed for organizations, institutions or businesses that provide a multitude of educational offerings that support those in the equine-assisted services industry.

The annual fee includes recognition of the quality of education and training the organization offers. All educational offerings are eligible for PATH Intl. CEU approval. A detailed description of each educational item must be submitted for review for assignment of CEU designation and number of hours. One clock hour equals one CEU credit.

Annual Program Fee: \$490

☐ Via credit card in the PATH Intl. online store

OR

☐ Paper check (made payable to PATH Intl.)

Education Partner and Approved Provider Programs

Once approved as a PATH Intl. Education Partner, if your organization is interested in becoming a PATH Intl. Approved Provider, a 50% discount will be honored for the initial application to become an Approved Provider. The 50% discount also applies if an organization is a PATH Intl. Approved Provider and chooses to become an Education Partner. Once an organization has been approved for both the PATH Intl. Approved Provider and Education Partner programs, a 50% discount will continue to be honored for each program's annual renewal fee. The timeline of the renewal fee is determined by when an organization is approved to participate in each program, so the renewal fee will likely be due at different times of the year for each of the two programs.
